AEC Solutions, Autodesk, Inc.

Friday, February 29th

12:00 - 1:30

Room 3-133

Bio:

Phillip G. Bernstein is a Vice President at Autodesk, a leading provider of software for architecture, engineering and construction. A practicing architect with over twenty-five years of experience, he leads Industry Strategy and Relations for the AEC Division where he is responsible for setting the company’s future vision and strategy for technology serving the building industry. Phil was formerly with Cesar Pelli & Associates (now Pelli Clarke Pelli Architects), where he managed many of the firm’s most complex commissions. Phil teaches Professional Practice at the Yale School of Architecture where he received his both his B.A. and his M.Arch. He is a Senior Fellow of the Design Futures Council, a Fellow of the American Institute of Architects, and former Chair of the AIA National Contract Documents Committee.
